Dear Bhagavad Bandhus!

The creation of the Supreme Lord is truly wondrous. Everything works with perfect precision. Based on our karmic records, we transmigrate from one body to another.

It is said that among the 8.4 million forms, being in a human body, birth is extremely rare. It is only as a human being that we get an opportunity to free ourselves from the bondage of karma and attain the bliss of liberation. The Supreme has also blessed us with scriptures. Yet, instead of becoming free, we are becoming increasingly bound.

The attractions of Prakriti, which make us forget the true nature of the Self, delude us and tighten the knots of bondage even further. As we become caught in the cycle of birth and death and sink deeper into sorrow, the scriptures proclaim that the compassionate Supreme Lord further blesses us with an Acharya to uplift us.

Just as a sculptor removes the unwanted portions of a stone and brings forth beauty in the form of a sculpture, the Guru removes the shortcomings of those who seek refuge in Him and fills our minds with devotion for the Supreme. Through his teachings and by exemplifying what he teaches, he inspires people to be worthy citizens. They learn to Serve all beings as Service to God. We can never repay our debt to such a Guru but we can definitely shape our lives according to His ideals.

Such an embodiment of Guru-tejas, is Sri Sri Sri Tridandi Srimannarayana Chinna Jeeyar Swamiji, who manifested in this world to uplift the suffering and distressed. On 8 November 2026, on the auspicious occasion of Deepavali, our beloved Swamiji will complete 70 years of a blessed life.

Let us all come together to express our humble gratitude on the Thirunakshatram of our beloved Acharya, who has sanctified the entire world through His divine presence and touch, as "Yatindra Sapthathi".

Come, let's join hands to celebrate his 70th Thirunakshatram.
