69TH THIRUNAKSHATHRA
MAHOTHSAVAM

22-10-2025 To 25-10-2025

Come! Celebrate this grand event with us!

When The Creator gifted us with 'life', He also blessed us with scriptures that guide us on how to lead that 'life'...

Acknowledging our limitations in grasping the profound wisdom contained within these texts, He sent forth Acharyas.

The scriptures state, without any doubt.....**a:cha:ryasthu haris sa:ksha:th**, the Guru is the embodiment of all the qualities of God. When we take refuge in an Acharya, we not only receive all auspicious wealth in this life, but also attain eternity.

Our revered acharya, His Holiness Chinna Jeeyar Swamiji appeared on this earth 69 years ago, on Deepavali, dispelling the darkness in our lives and illuminating our journey towards the Divine.

gurum praka:saye:th dhi:ma:n, as the scriptures remind us, Wise is the one who spreads the glory of the Acharya far and wide. HH Swamiji has exemplified this principle by spreading the timeless message of **Sri Ra:ma:nuja:cha:rya Swa:my** that all souls are equal. The magnificent Statue of Equality in Bharat stands as a testament to this.

Standing tall in Houston, USA, is Mighty Hanuman, **Sundara Se:thu**, the beautiful builder of bridges between souls and also connecting individual souls with the Supreme. Having conceptualized this Statue of Union, HH Swamiji is sharing the profound wisdom of Vedic scriptures, **vasudhaiva kutumbakam**, Universal Family.

As Deepavali approaches, millions of hearts of devotees, of the visually challenged, of tribal children, of the downtrodden, of anyone who has faced any hardship in life, fill with gratitude that the Supreme has blessed us with such a compassionate Acharya who is carrying forward the torch of a divine lineage!

This gratitude flows out in the form of joyful celebrations!

Come! Join us! Let's together celebrate our beloved Acharya, **Padma Bhushan awardee, His Holiness Chinna Jeeyar Swamiji's Thirunakshathra Mahotsavam** in the divine presence of of Samatha Mu:rthy, Ra:ma:nuja:cha:rya Swa:my, and 108 Divya De:sams at Statue of Equality, from **October 22nd to 25th, 2025**, culminating in the Sahasra Kalasa Abhishekam to Sri Ramachandra Swamy, the deity worshiped by our Acharya.

The Vedas serve as the ultimate authority that prescribes the duties one must follow to make human life meaningful. They are recognized as *apaurushe:ya*, not authored by humans, these compositions of divine sounds have been acknowledged by sages, seers, and renowned scholars alike. The tradition of Vedic study has continued unbroken since time immemorial. During the time of *Veda Vya:sa*, there were 1,131 branches of the Vedas. However, today, only **10 branches** remain accessible. The others have been lost over time due to the absence of practitioners and learners.

To encourage the study and preservation of the available Vedic branches, **Jeeyar Educational Trust** initiated the "**Jeeyar Award**" in 1994. This award was established with the noble intent of honoring and supporting scholars who have diligently studied at least one of the surviving Vedic branches, also mastered a related *sa:sthra* and are actively engaged in its teaching and dissemination.

The core objective of this initiative is to **recognize at least one such scholar each year**, and when possible, to honor two deserving individuals. Since 1994, this award has been presented **annually on Deepavali**, in honor of **our revered Acharya, Aparā Ra:ma:nuja, His Holiness Pedda Jeeyar Swamiji**.

So far, the Jeeyar Educational Trust has had the privilege of felicitating 33 dedicated scholars across various Vedic branches with the Jeeyar Puraska:r Award. A list of these honored scholars is provided on the previous page.
